R E G O R . Barrier Bollard

Basic lines and crisp edges define the REGOR barrier bollard. Bollard is available in two heights and is fabricated from cold-rolled steel bar stock. Bollard is hot-dip galvanized prior to being finished in finely textured paint. Mounting variations include direct embed, flange mount, removable, and collapsible models. All hardware is stainless steel. Standard color; graphite grey. Special colors available.

Model	Height	Mounting
RG900-A	35.4"	Direct Embed
RG900-B	35.4"	Removable
RG900-C	35.4"	Flange Mount
