Linear Fixtures

Ideal for recessing in walls and millwork, EMBD is now available as a fully assembled fixture. EMBD Optics is available in a satin finish with an optical lens used to create several different beam patterns when paired with the adjustable tray (12°, 14°, 20°, 30°, 45°, 60°). It is suitable for installation in the storage area of a clothes closet when specified with LEDs at 4.0 watts or less per foot.
