

KURV-BK-DW-HE

Q-CAP Flexible Fixtures

Designed to be discreet. Bring dark surfaces to light with a flexible light source that blends in.

- The fully encapsulated black exterior provides optimal concealability for façade, ceiling, and outdoor applications
- Features a disguised appearance with the same superior results as the standard KURV
- A 10" side bend radius allows for even greater continuous lines of light perfect for illuminating dark contours and curves
- Features a parabolic curve, which distributes asymmetrical light with an internal reflector
- Perfect for interior and exterior applications
- Compatible with precision-engineered black plastic clips and mounting channels
- Encapsulation is available in a clear or translucent polyurethane
- Optional seamless connections eliminate light gap

Output [Calculated L70 = 40000 hours]

Tested for KURV-BK-DW-HE-PL-DRY
