Description

The ATF7610 is a 10W high powered, LED track fixture specially designed for task and accent lighting. Available black, silver and white finishes.

Features

Body

Constructed of aluminum, the body features an aesthetically pleasing smooth cylindrical shape.

Beam Spread

The fixture is available in a 25°, 40° and 60° beam angles.

Dimming

The track fixture is dimmable when used with TRIAC dimming controls (Consult factory for compatible dimmers).

Adjustability

Adjustable up to 90° tilt and 330° rotation to allow for spotlight into

multiple directions.

LED Characteristics

High powered 10W CREE® CXA1507 LED array maintains uniform intensity with a typical luminous flux up to 640 lumens, making it a suitable replacement for 40W PAR20 halogen and 15W CFL lamps; with a typical CRI of 90+. Available in 3000 K correlated color temperature.

Compatibility

Fixture is provided with A-Line connector which is compatible with Juno style track. For other connector configurations (Halo, Liteline), please

contact your A-Line representative.

QuickShip In-Stock

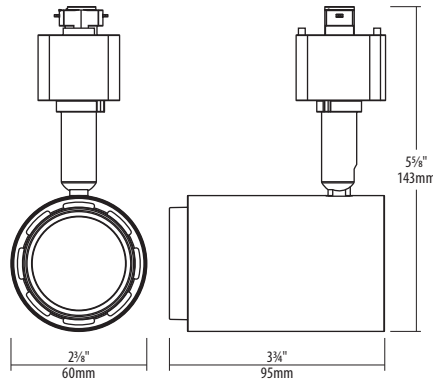

In-Stock products ship within two business days of an order being released.*
