Features

Body Construction

Powder-coated or electroplated cast aluminum with open center. Available in black, brushed nickel or flat white corrosion resistant paint.

Mounting

Mounts onto single gang outdoor LED step light (OSL1020 – sold separately) with two colour matching screws (included).

Description

This open window faceplate is used in conjunction with single gang outdoor LED step light. Can be used on deck, porch, concrete/brick walls, or outdoor steps for even spread of light in dark areas.

Notes: Accessories should be ordered separately. For additional options please consult your Liteline representative. Due to our continued efforts to improve our products, product specifications are subject to change without notice.
