

C-WM-A-MWP Series

LED Wall Mount / Mini LED Wall Pack | Field Selectable CCT
Replaces 100W PSMH

THE PERFECT COLOR TEMPERATURE EVERY TIME

This Mini LED Wall Pack is a versatile lighting solution designed to meet your specific needs. With its CCT Selectable feature, you can easily adjust the color temperature to achieve the perfect lighting ambiance for any outdoor application. The included photocell ensures energy savings by automatically turning off the fixture during daylight hours. If desired, you can bypass or disable the photocell using the convenient on/off switch. It also features a frosted lens, providing comfortable illumination and reducing glare. Whether you prefer a j-box installation or a non-j-box installation, our Mini LED Wall Pack offers hassle-free setup for any space. UL Listed and includes a 3-year limited warranty.

PRODUCT SPECIFICATIONS
