Description

The KLICK Pendant is a compact pendant LED track fixture. For more decorative options, these suspended luminaires are integrated directly into the tracks, allowing the KLICK system to do even more by adding decorative accents. Suitable for living areas, bars, and reception areas.

Features

Body

Constructed from aluminum, this LED fixture features an aesthetically pleasing smooth cylindrical shape with a 32" wire.

Beam Spread

The fixture is available in 20° beam angles.

Dimming

The track fixture is dimmable when used with compatible dimmable driver (Consult factory for compatible drivers and dimmers).

LED Characteristics

Efficient CREE® CXB-1304 LED chip maintains uniform intensity with a typical luminous flux up to 570 lumens, with a

typical CRI of 93. Available in 2700 K, 3000 K and 3500 K correlated color temperature.

Mounting

This LED fixture is designed to be simple and convenient, with secure-click locking technology; providing significant savings on installation and maintenance.

Compatibility

Compatible with KLICK track series.
