## Horizon II 05B

Fluorescent. Pendant

## ORDERING LOGIC

## SPECIFICATIONS

Due to the Continuous Improvement Policy at Metalumen, we reserve the right to change our specifications without notice.

Housing: Low profile,elliptically shaped indirect/direct luminaire measuring 73 mm [ $2.9^{\prime \prime}$ ] high by 304 mm [ 12.0 "] wide. The structural integrity of the luminaire is provided by a formed aluminum 18 gauge, one piece, perforated aluminum screen, 16 gauge steel internal support brackets and ballast cover and die cast end caps. The fixture's formed ballast channel, in conjunction with the die cast end caps, offers strength for sections as long as
a nominal 3660 mm [ $12^{\prime} \cdot 0$ " $]$ with only two (2) hanger assemblies. As a result, straight alignment for continuous row installations can be maintained with a minimal amount of supports. Metalumen's integrated tongue and groove electrical/ mechanical interlock ensure straight runs for continuous run applications providing for a cost-effective installation. No disassembly of the product is required during installation.

Optical System: Computer modeled, formed painted steel materials are utilized to provide wide, horizontal indirect distribution.
Finish: White, baked, powder coated polyester finish. Gloss $85 \%$. Consult factory for custom colors/finishes.
Weight: $3.5 \mathrm{~kg} / 300 \mathrm{~mm}[6.8 \mathrm{lb} / \mathrm{ft}]$
Mounting: Solid stem 13 mm ( $1 / 2^{\text {" }}$ ) OD or steel aircraft cable complete with a Quick-Grip field adjustable suspension
system provides for quick and easy on site alignment (contact factory for custom lengths).
Ballast: Electronic Instant Start (T8), Programmed Rapid Start, 0-10V Dimming, DALI
Integrated Controls: Refer to Ordering Logic chart above.
Approvals: Certified to NRTL and IES testing standards.
Environment: Suitable for dry locations.

## WARRANTY

Metalumen will warrant a one year parts and labour warranty. Warranty is valid if luminaire is installed and used according to specification. The Ballast will carry a standard 5 year warranty by the manufacturer. If defective, Metalumen will send replacement ballasts or drivers at no cost along with detailed replacement instructions and instructions on how to return defective components to Metalumen.

■COMMERCIAL // Commercial Lighting - With over 30 years of successful architectural lighting, providing unique concept and installation solutions has become second nature. Metalumen's Start to End Development Process results in unique performance, design and architectural requirements from concept through implementation.

Metalumen's Lighting Solutions have been Metalumen's Start to End Development applied to customer projects requiring: high Process. profile architectural installations; improved energy efficiency; retrofit installations; unique installations. Metalumen can provide top-quality innovative fixtures when and where they are needed and, at the same time, allow the customer to determine their level of involvement in

EDULUMEN // Educational Lighting Edulumen is a collection of premium luminaires that maximize both the functionality and performance of any educational facility. Based on maximum efficiency, integration of controls
and exceptional design, Edulumen will earn high marks for meeting your requirements. Students challenge themselves throughout the day to achieve, and Metalumen is dedicated to this by creating sustainable environments that foster enhanced educational experiences.
