

PH 2/2 QUESTION MARK CHROME TABLE LAMP

Designed by Poul Henningsen

Description

The fixture has been designed on the principle of a reflecting multi-shade system, emitting a glare-free, downward directed light, while radiating a pleasantly delicate glow. The shades are made of mouth-blown three-layer opal glass, which is glossy on top and sandblasted matt on the underside, providing a soft and uniform light distribution. The adjustable upper part of the lamp can be tilted 45 degrees to the right or left by turning the handle on the middle of the arm.

Variants

VARIANT NUMBER	COLOR, RAL	W / H / L (IN) / W (LB)
5744918136	CHROME PLATED/GLOSSY OPAL GLASS	10.8 / 16.1 / 7.9 IN / 3.8 LB

Materials & Finishes

MATERIALS

Mouth-blown opal three-layered glass, glossy on the outside, sandblasted on the inside. Socket housing, shade holder, stem, base and switch: Bright chrome plated, brass.
