

PH 3/2 PALE ROSE TABLE LAMP

Designed by Poul Henningsen

Description

Based on Poul Henningsen's reflective three-shade system, this luminaire provides a soft downward directed light, while emitting a wonderful glow. The pale rose coloured mouth-blown opal glass shades are glossy on top, and in combination with a sandblasted matt opal white lower side, it yields a soft and poetic light.

Materials & Finishes

MATERIALS

Mouth-blown four-layered pale rose coloured glass with a white sandblasted underside. Glossy on the outside, sandblasted on the inside. Brass, brushed and untreated with fine hairlines.

FINISHES

Brushed untreated brass with fine hairlines. Pale rose coloured glass with white innerside.

louis poulsen

Mounting

Cord type: White fabric cord with plug.
Cord length: 10'.
Through-switch. For mounting instructions, see download section on the product detail page.

Information

Please note that the brass is untreated. This means that the surface will change over time and develop a patina if left unpolished. For the E-socket product variants, bulbs are not included. LED light source is part of the product.

Variant Options

For particular variant options, please check our online Product Variants Configurator on the product detail page.
