Application

Add to AMA-10, AMA-1W, and AMA-2W round mast and mounting bases to accommodate additional VDT link arm(s) and/or VESA tilter. Order additional VDT link arm(s) and/or VESA tilter separately. *Note: Do not exceed two link arms and one VESA tilter on each stackable mount.*
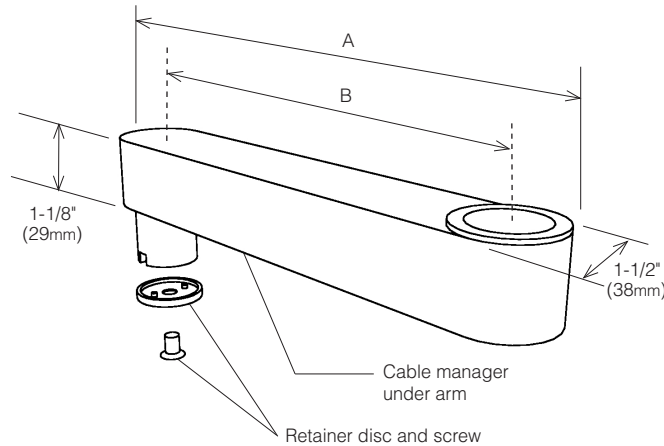

Application

Add to AMA-ST-SM stackable mount, AMA-ST-04 link arm, or AMA-ST-07 link arm for extended VDT positioning. Order compatible VESA tilter separately. *Note: Do not exceed two link arms per VDT.*
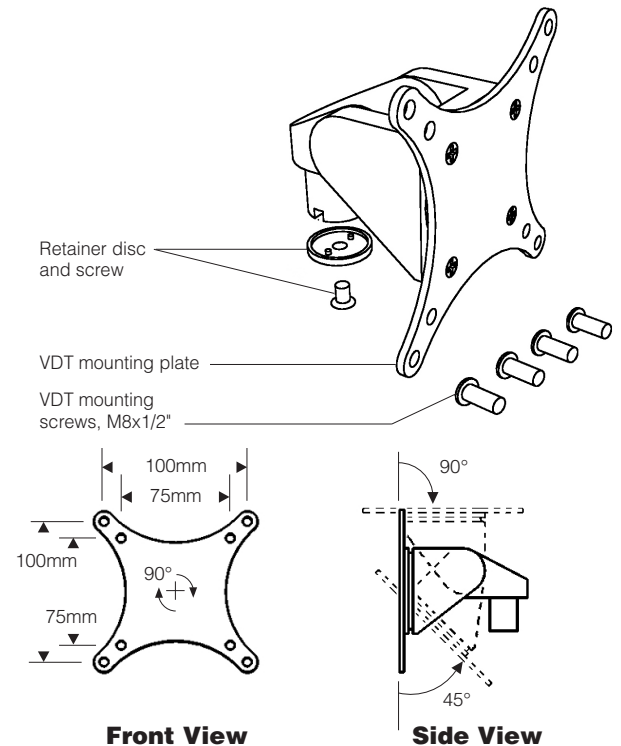

Application

Add to AMA-ST-SM stackable mount or AMA-ST link arm, to accommodate additional VDT.

How to Order

Part number format: **AMA - ST - SM - (finish)**

AMA-ST-SM - ____   Stackable mount

PL = Semigloss platinum
02 = Semigloss white
19 = Vista flat black

How to Order

Part number format: **AMA - ST - (length) - (finish)**

AMA-ST - ____ - ____   Link arm

PL = Semigloss platinum
02 = Semigloss white
19 = Vista flat black

04 = 3-1/2" pivot length
07 = 7" pivot length
12 = 12-1/2" pivot length

How to Order

Part number format: **AMA - ST - TL - (finish)**

AMA-ST-TL - ____   VESA tilter

PL = Semigloss platinum
02 = Semigloss white
19 = Vista flat black
