Project Name

Microlinea™ Recessed Series 2, 3 & 5 - LED

(1 7/8", 2 7/8" and 4 7/8" Luminous Apertures)

Lighted Vertical Corners-(Drywall Only)

Vertical extruded aluminum 90° corners are available for use in wall to ceiling mounted patterns in drywall applications only, and provide a continuous transition from ceiling to wall. Corners are available for Microlinea Recessed Series 2, Series 3 and Series 5. LED modules are arranged in the corner to insure uniform illumination.

See next page for dimensions.
