ORDERING CODE _____

Follow the steps to specify your fixture, example:
WEP - FED - 68 - E26 - MPBK - TRC - ASH

DESCRIPTION

WEP Light (Wood Ecological Project) is designed, handcrafted in Argentina and assembled in the USA. A two-sided wood veneer section is fused with a malleable center panel for strength and flexibility to create a work of art in a variety of styles and sizes. A plethora of colors for interior and exterior of the shade are offered. Acoustic WEP lights are offered in multiple shapes and sizes and are NRC rated by a third-party lab for absorption efficiency. The natural recycled wood in many finish options, is complimented by a natural Argentinian lamb's wool inner shade for superior absorption. Factory assembly for most shades.

HOUSING

- Sustainable, recycled, reconstructed wood veneer
- Factory assembled shades with some exceptions due to size

MOUNTING

- Bayonet black canopy with 108" black cord, field adjustable
- Federica 68: 5.15 lbs

ELECTRICAL/CONTROLS

- 100W bulb max
- 120V only
- E26 socket
- 15W socket available, use base option code E26-15

LISTINGS

- ULus listed to UL1598 (suitable for indoor use and dry locations only)
- cUL listed to CSA C22.2 #250.0
