Follow the steps to specify your fixture, example:  
WEP - REN - 100R - E26 - MPBK - ASH - ASH

### DESCRIPTION

WEP Light (Wood Ecological Project) is designed, handcrafted in Argentina and assembled in the USA. A two-sided wood veneer section is fused with a malleable center panel for strength and flexibility to create a work of art in a variety of styles and sizes. A plethora of colors for interior and exterior of the shade are offered. Acoustic WEP lights are offered in multiple shapes and sizes and are NRC rated by a third-party lab for absorption efficiency. The natural recycled wood in many finish options, is complimented by a natural Argentinian lamb's wool inner shade for superior absorption. Factory assembly for most shades.

### HOUSING

- Sustainable, recycled, reconstructed wood veneer
- Factory assembled shades with some exceptions due to size

### MOUNTING

- Bayonet black canopy with 108" black cord, field adjustable
- Renata 60R: 5.4 lbs.
- Renata 100R: 6.17 lbs.
