#### System Components (Ordered Separately)

Remote Driver :

Control System :

On/Off | Dimming ELV or 0-10 dimming Other options (consult factory) TRIAC/MLV, DMX, DALI, Casambi, POE

### **Important Notes**

#### Specification

- 1. Minimum: 1' (305mm) Maximum: 8' (2438mm), 6" (152.4mm) increments.
- 2. Refer to pg.02 Electrical for Colour Consistency details.
- 3. Different finish options are only applicable to LED rail. Refer to Appendix or MP Lighting website for complete look of luminaire with different finish options.

#### Warranty Notes & Disclaimer

Malfunction and damage to product due to incompatible dimming system or misuse will not be covered under warranty. Consult MP Lighting for recommended drivers. If the fixture has an option to be installed with a dimming control system, consult a dimming system manufacturer with minimum load before installing. MP Lighting reserves the right, at its sole discretion, at any time and without notice, to make design changes to any of our products. Consult MP Lighting website for most updated documentation.
