

Application:

Support for **tambient** [Style L305](#) and [Style L306](#) stanchion-mountable workstation luminaires. Lengths vary to accommodate work surfaces and workstation panels of various heights. Includes two (2) mounting screws for luminaire attachment. Not compatible with Style L305 mast-mount luminaires.

Construction:

Extruded aluminum, 1" x 3".

Length:

Choose a length that combines with a [TMB-13](#) mounting base to position the luminaire at the desired height. Contact factory for custom lengths. **Note:** 3-digit length code is OA length in eighths of an inch, for example, code **213** = 26-5/8".

Finish:

Electrostatically applied thermoset polyester powder coat.

How to Order:

Part number format: **TMS - 13 - (length) - (finish)**

Note: For use with **Style L305** and **Style L306** stanchion-mountable workstation luminaires only. Luminaires ordered and priced separately. Refer to luminaire data sheets for details.
