Features

- 5 year product warranty
- ADA compliant
- Extruded aluminum frame
- Flush frame mounts into wall and creates a seamless transition between surfaces
- 1/8" thick white acrylic diffuser with matte finish, UV stable, UL-94 HB Flame Class rated
- Optional specialty diffuser materials available, including Vara Kamin's Impressions of Light® images, which are replicated from Kamin's original works of art
- Oven cured no VOC acrylic powder coat for painted finishes; oven cured low VOC clear coat on metal finishes
- Versatile mounting; ceiling mount, horizontal wall, vertical wall
- Shallow depth recessed housing rated for through-circuit wiring
- Recessed housing is available for pre-shipment for rough-in installation
- ETL listed to UL standards (US and Canada) for indoor damp locations. Not recommended for exterior applications

LED Features

- White source (3000K, 3500K, 4000K), 0-10V dimmable
- Modular design allowing replacement of the LED source and power supply
- Constant current LED technology to protect LEDs from experiencing "over current" conditions that can cause overheating and premature failure
- Thermally managed within manufacturer specifications to promote long LED life
- No ultraviolet or infrared, alleviating potential damage to art, fabric and materials
- Mercury free LED source reduces impact to waste stream

Order Code Example
