Description

The KLICK Kit series is a complete track system lighting solution with fixtures included. With everything in one package, easily provide beautiful lighting with ease.

Features

Track

A 36" 3-part mono-coque sandwich construction made from interlocking extruded aluminum channels. End caps and a live end 15' power feed complete this streamlined track.

Electrical

Remote mounted 96 Watt dimmable electronic LED hardwire box with 24V 4A output. Open and short circuit protection. Auto-reset functionality automatically reset once the condition is resolved.

Fixtures

Compact pendant LED track fixture. Aesthetically pleasing smooth cylindrical shape with 20° beam spread. 10 Watt per fixture provides up to 570 lumens and a typical CRI of 93 at 3500 K correlated color temperature. Secure-click locking technology for simple and convenient installation and maintenance.

Kit Includes

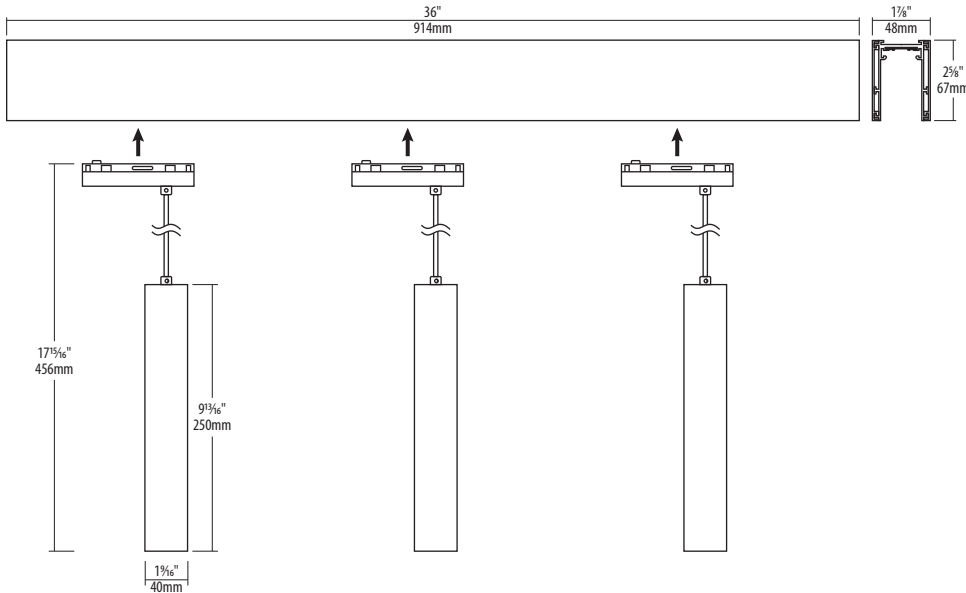

- This KLICK track system kit includes:
- 3' Single channel linear track system
 - 3 × KLICK Pendant fixtures
 - 96 Watt driver
