Features

General

Constructed from aluminum, the AT3XA18 is a 3 1/2" marine grade gimbal trim, suitable for damp locations. This select trim features a removable center ring for easy re-lamping.

Mounting

Two stainless steel torsion clips provide enhanced rigidity within the housing.

Aiming Adjustment

The trim includes a tilting center (lamp holder) that adjusts up to 35° and maintains the set angle, providing for a wide range of accent and task applications.

Lamping

- GU5.3 base MR16, 50W max.
- Medium base MR16, 50W max.
- GU10, 50W max.
- LED GU5.3 base MR16
- LED GU10
- LED medium base PAR16
