6" LED Low-Profile Disc Light, CCT Selectable

J-Box Mounting

DESCRIPTION

The 8557WH-90-345 is a 6" LED Low-Profile Disc Light that combines 3 CCTs in one product for retrofit and new construction applications, and suitable for use in wet locations. Designed to use in either a direct 3" or 4" J-Box installation.

DESIGN FEATURES

Construction

- Durable steel construction
- Hard gauge metal back plate and the heat sink to facilitate heat dissipation

Electrical

- Available in 120V
- Dimmable TRIAC, 10-100%
- 50,000 hour projected life
- 15W, 90 CRI
- 1073lms source / 890lms delivered @ 3K
- 1212lms source / 996lms delivered @ 4K
- 1185lms source / 969lms delivered @ 5K
- CCT Selectable: 3000K, 4000K, 5000K

Installation

- Mounting bracket fits most 3/O (3") or 4/O (4") j-box applications

Dimensions

- 7-3/8" x 1-1/4"

Lens

- Frosted polycarbonate lens protects LEDs and provides a uniform distribution of light

Certifications

- cCSAus for use in wet locations
- State of California Title 24 Compliant
- Suitable for use in closets when installed in accordance to NEC Section 410.16 (C)(1)
- 5 year limited warranty

Example: 8557WH-90-345
